

Chhattisgarh Dental College & Research Institute, Rajnandgaon

Steps taken by the college to measure attainment of specific Clinical competencies

Various Clinical competencies of UG students are evaluated at Chhattisgarh Dental College & Research Institute from time to time in the form of chair side discussion, group discussion or viva (during posting as well as during end posting examination/ Internal Assessment examination).

Following are the methods to measure of attainment of specific competencies:

A. Formative Evaluation:

1. Through checklists for various clinical procedures.
2. Through Performance during clinical procedures on patients and by conducting Viva voce on specified clinical procedures/ method by faculty in-charge.
3. By conducting chair side discussion and Viva.
4. By conducting group discussion during clinical hours.
5. By conducting periodic clinical internal assessments/ End Posting exam as per the norms of Pt. Deendayal Upadhyay Memorial Health Sciences and Ayush University of Chhattisgarh and Dental Council of India.

B. Summative Evaluation:

1. By assigning them quota which they have to finish by the end of each academic year.
2. University Examination At the end of Academic Year
